## OTHER OPPORTUNITIES

### **HOST A SUPPLY DRIVE: Gather Needed Supplies for Camp**

Collect items from the wish list to support our camp activities. Hosting a drive within your community, school, or organization allows you to rally support and make a direct impact on the camp's needs, including items for Anytime Bags, arts and crafts, and daily camp essentials.

### **MITZVAH PROJECTS: Beautify Camp**

Give back to camp and showcase your unique talents by beautifying camp spaces. Whether you're organizing a fundraiser, creating inviting outdoor spaces, or maintaining camp grounds, these projects offer creative ways to make a lasting impact. For example, you might create a mosaic pathway, design a 'Sunshine Wall' for positive messages, paint decorative seating, or develop 'kindness clips'—short, uplifting phrases to spread kindness throughout camp. Reach out today to partner with us on your mitzvah project!

### **EXPERTISE-IN-RESIDENCE: Donate Your Skills and Supplies to Enrich Camp Experiences**

Whether you bring art supplies to lead a creative workshop, sports equipment to organize an athletic event, or mindfulness tools to guide relaxation activities, we would love to hear how you would like to donate your time and expertise to make a lasting impact on our campers' experiences!
